

"If you've lived in York for any length of time there's a good chance you'll have come across the fantastic work that St. Leonard's Hospice does. Ainsty Ales Brewery has supported the Hospice for a good number of years now through our Taproom events and also 'Coptoberfest', our Charity Beer Festival. The Business Club is a fantastic way to network locally, meet like-minded people and support a great local cause!"

Andy Herrington of Ainsty Ales, York

"Our team in York are honoured to continue supporting St Leonard's Hospice, we are always delighted to be able to help. We started supporting St Leonard's Hospice back in 2017 when we first opened The Ivy in St Helen's Square, since then, we have gladly remained supporters and friends of the Hospice. We help when and where we can and will continue to do so for as long as we are here."

St Leonard's Hospice is an independent charity, providing care for people with life limiting illnesses. And we've been doing it for more than 35 years. Our patients' needs are our priority, and our care is designed to make the best of their lives at our Hospice, at home, and in our community.

Our care is personal. Every patient is treated as an individual and our tailored care ensures they enjoy the best possible quality of life. We also provide much needed support to families and carers.

We serve a wide area including York, Easingwold, Selby, Sherburn-in-Elmet, Tadcaster, Pocklington, Pickering, Helmsley and Kirkbymoorside.

Our care is free of charge to patients and their families but not free to provide. As a charity we rely heavily on the generosity of the public and businesses like you to help raise nearly £6 million that it costs each year to run St Leonard's Hospice.
